

480GB, 960GB, 1.92TB*

SanDisk Extreme® 900 Portable SSD

Serious storage for massive photos, videos and files.

Highlights

- Up to 9x the speed of an external hard drive¹
- 35x faster file access times when working directly from the drive¹
- Up to 1.92TB of SSD-speed storage that's small enough to take with you
- SanDisk SecureAccess™ software encrypts private files²
- Durable aluminum and rubber design with shock-resistant solid state core³
- Available in 480GB, 960GB and 1.92TB drive capacities
- 3-year warranty⁴

Looking for serious storage speeds for your photos, videos and files?

The SanDisk Extreme® 900 portable SSD delivers up to 9x faster speeds than an external hard drive in up to 1.92TB* capacities to move your massive files in seconds. Working directly on the drive is more efficient too with 35x faster access times¹. With solid state technology, there are no moving parts to break or overheat. SanDisk SecureAccess™ encryption software keeps your files private. When your livelihood depends on it, trust the brand professionals rely on with SanDisk Extreme 900 portable SSD.
