

EXTENSION POLE + WATERPROOF SHUTTER REMOTE

10in-48in (25cm-122cm)

Stretching to 48in (122cm) and collapsing to 10in (25cm), this extension pole brings the action closer and travels lighter. A detachable wireless remote makes it easy to take photos and start/stop recording when the pole is extended and your GoPro is out of reach. The pole is crafted from durable lightweight aluminum and waterproof so you can capture your favorite activities in wet or dry conditions without interrupting the moment.

FEATURES + BENEFITS

- Extends to 48in (122cm) to get closer to the action and collapses to 10in (25cm) for on-the-go use
- Simple one-button, Bluetooth camera remote allows you to take photos and start/stop video recording without reaching for the camera

- Lightweight aluminum sections are strong and rigid, designed for quick and easy extension
- 1/4-20 screw mount at the top of the pole for camera mounting with included 360° ball joint and finger adapter
